A horrible month with the passing of Don Goswell aka Gonzo on 11 May 2018. This is so sad, but he had suffered enough with a very aggressive oesophagus cancer and is now free of the massive pain he endured. He will be missed by so many of you who had either fished with him on "Freedom" or knew him through tournaments and meetings. Always after that big Blue Marlin, he loved his fishing and served both as President of NSWGFA and Southern Zone Chairman. He was a stalwart of the Ulladulla GFC being a Life Member, President, Vice President and dedicated committee member. His sense of humour was a bit off and he had no tact but he was a very special man and great friend to a lot of keen minded anglers. May he rest in peace. A service for Don will be held at the A frame Ulladulla Harbour at 1pm on Thursday 17<sup>th</sup> May and I know that many of you will be there.

Not a bad month with some very nice Marlin caught, plus a good Whaler and lone Mahi Mahi. You are all doing well with tagging and I know that there were plenty of other fish taken but unfortunately not on Zone days.

At the end of the month on 26-28 May, we have the Canberra Yellowfin Tournament at Bermagui. There have been reports of Yellowfin so hopefully they will be there in numbers for this event. I hope to see and hear many of you there.

Stay safe and enjoy your fishing.
