| Batemans Bay | 6    |
| Kiama        | 5    |
| Merimbula    | 4    |

Back from the Canberra Yellowfin Tournament held in Bermagui yesterday. Another good year for Canberra with 73 registered boats and a good number of anglers as, like most of the tournaments these days, there seem to be more people on various boats. With a number of Yellowfin weighed, the heaviest was 77 kg and there were also a number of Short Billed Spearfish and Mahi Mahi weighed, with a Marlin going 122k. Carol Taylor took a very nice Short Billed Spearfish which is a pending Australian record. There were obviously a swag of fish tagged by male, female, junior and small fry anglers.

It is good to see our juniors on the board with their Marlin and also nice to see some ladies featuring. Well done to everyone who has made it onto the chart with points for their Clubs and our Zone. There is only one more month to go so it will be interesting to see the final tally.

Merimbula also had a great tournament at the beginning of the month. Although they only got 24 boats, angler numbers were good and they had some great results. Seamode took out the event with 3 Yellowfin tuna weighed which was a great result for them. There were also some sharks weighed and a good number of tags

Ginny Gerlach spoke to a number of people at both the Merimbula and Canberra events. She was up from Tasmania and on the case of stopping the Geelong Star. She spoke at both events and gave the facts and was very aware of differing opinions on the matter. She was very grateful for the time allowed her and thrilled with the photos she took at both with a good number of anglers holding up the relevant signage.

Only a few more days left of the season, so get out there and get some more points for both your Clubs and our Zone.

Stay safe and enjoy your fishing  
Sanchia
