You all have November 17 in your diaries as the date for the NSWGFA Full Council Meeting in Sydney. This has been cancelled as there is not enough time for the subcommittee to comprehensively collate all the information from the clubs. Some clubs have not had any information and they need to consult their members and then send in their comments. It has been suggested that each zone hold separate meetings in November to really nut this out and take back to the next AGM. If there are to be any changes they cannot be rushed and require informed discussion and debate.

It is still very quiet fish wise and the only consolation is that it is the same in the other zones. We had an executive meeting last weekend at Port Stephens and everyone noted how dismal things were.

November brings us the Shoalhaven Light Tackle Tournament and the Jervis Bay White Sands Tournament. It would be great for both to have the support of the other clubs so please consider entering these events and getting some fish on the board.

Stay safe and enjoy your fishing.
