Shoalhaven continue with their charge up the capture points but what a dismal month for the majority of clubs! Of course Christmas festivities cut into the fishing time and I know that there were Marlin taken at Merimbula and Eden as well as Bermagui. Obviously not all fishing is on Zone days and that's just the way it is. Never mind....at least the fish are about and things can only get better!

While it is good to get Zone points it is also important that you just get out there and have fun fishing. With so much bad news around it is important to get your priorities right and make the most of every day.

With tournaments in both Bermagui later this month and Batemans Bay next weekend I am sure we will see some good results coming through.

Next weekend there is also a children's fishing competition hosted by Kiama GFC. This is a charity event with money raised being donated to the Peter Borough Special School.

A reminder for those in doubt....all zone weekends are the 2nd and 4th of every month plus any gazetted NSW Public Holidays and nominated tournaments.

The year goes by so quickly and our Interclub is scheduled for March. As it is out of all ports there really is no reason why there should not be a good number of boats competing. Please promote this within your club.

At the Zone meeting last night we accepted the quote for the trophy cabinet which will be completed in the next couple of months. We are also getting all our trophies refurbished and repaired where necessary. It has taken a while but I am pleased that we are finally getting this much needed fixture which will be housed at the Catalina Sports and Leisure Centre (formally the bowling club) in Batemans Bay. This is where we will be having future meetings such as our AGM.

We also accepted the generous offer from Mark Way and the Kiama GFC to include two new categories for trophies in the COW. They will be Most Sharks T&R Boat and Most Marlin T&R Boat.

Stay safe and enjoy you fishing.
