I certainly hope that you all had a good Christmas with lots of goodies under the tree. And I know that may not be particularly PC but, what can I say, I like my goodies and you can never have too many diamonds or too much fishing tackle. Hope you all have a great year ahead with plenty of fish to report and some good stories to exchange.

Jervis Bay have leapt ahead in capture and it is good to see Ulladulla joining us on the tag and release points. From various reports I have noted that there have been quite a few fish but unfortunately not on Zone days. Maybe things will start changing with the tournaments hotting up.

As mentioned before we have the Batemans Bay, Bermagui and Ulladulla tournaments this month and then Shellharbour in February. The NSWGFA Interclub also starts last weekend in February so good luck to everyone fishing these events.

This will be the first Interclub I have missed in years as I am having my knee replaced early February and will be in hospital for ten days and unable to drive for several weeks. It is very disappointing not to be going up to Port Stephens but the surgery has to be done.

If I have not received the monthly return by 14<sup>th</sup> I email a reminder to those clubs missing noting they must be in by midnight. Unfortunately there are still some clubs who do not respond. I really do need a reply from all clubs even if it is just to say there is nothing to report. Thank you.

Stay safe and enjoy your fishing. Sanchia
