Je suis Charlie. With so many horrific things happening in the world aren't we lucky that one of our main concerns is how many fish are out there. Of course, we have other worries, but our sport remains a strong bond with us all with healthy competition between friends. Leave the slurs and digs at home and just have a great time fishing!

The season is off to a good start with the Jervis Bay White Sands Tournament held last month with a number of fish were both tagged and captured which was reflected in last months results. Coming up in January are the Batemans Bay Tollgates Tournament and the Bermagui Blue Water Classic. These are followed by the Ulladulla Jess Sams Tournament and the Shellharbour Tournament. I am sure you will continue to support as many events as you can.

Of course there are also the state championships in the form of the NSWGFA Interclub at Port Stephens. I am looking forward to seeing a number of our boats up there this year. Remember to bring a Hawaiian shirt for the mid week lunch at the Newcastle & Port Stephens Game Fishing Club.....this should be a fun day.

We also have our own SZ Interclub in March and I hope there will be a good number as you can all fish out of your own ports for a minimal charge. Prizes for this are entry for four to one of the upcoming SZ tournaments plus a plaque so well worth entering. Entry forms will be sent to all club secretaries who will be able to pass on. This is the same weekend as the Alliance T&R Tournament at Bermagui, so you can fish both.

I am sure you were all sad to hear of the passing of John Dunphy earlier this month. He was in Japan for treatment and was cremated there. He was a feisty man who gave much of his time to our sport and of course, Shimano was a sponsor of many of our tournaments. He will be missed by his many friends.

Many of you will know Canberra member, Kim Hobday, who also lost her husband recently. Our thoughts are with her, their daughter Caroline and family at this sad time.

Stay safe and enjoy your fishing. More fish next month would be good!
