What an encouraging turnout for our Interclub! We had 25 boats with 87 anglers with both small fry and juniors joining the senior male and female anglers. There was representation from Shellharbour, Shoalhaven, Ulladulla, Batemans Bay, Canberra, Bermagui and Merimbula and I want to thank everyone for their participation and support. There was one Mahi Mahi by a small fry and fifteen Marlin tagged, one by a junior angler. I believe quite a few were lost so it was a great effort from everyone. Of course it helped that the weather was kind and some fish cooperated. Results attached.

Just received a media release from Minister Hodgkinson re SBT. For the next six weeks an SIS will be on public exhibition evaluating the effects of proposed changes. All issues raised in any submissions will be considered before a final decision is made. The proposed controls are :

- A daily bag limit of one SBT
- A daily boat limit of two SBT
- A charter boat limit of six SBT
