Shellharbour, Jervis Bay, Ulladulla and Eden all had boats entered in the NSWGFA Interclub at Port Stephens. Not only were they there, but they also took out some of the trophy categories which made some of us very happy.....others not so much!!!! I really enjoyed catching up with familiar faces and it just shows how competitive we can be. The format had been changed to teams of three instead of five which I think worked well. NSWGFA gave \$500 to a randomly drawn boat at every sked which was a popular decision. Steve Lamond on "Tailwalker", Shellharbour was very happy to win one of these sked prizes as well as trophies.

It was awful that "Mc1", Shellharbour had a major disaster on day one and could not fish the rest of the event. This is a very competitive boat and I am sure they would have done well. Jay and his family and crew did stay on however and joined in various activities which was terrific. To travel such a long distance, have huge problems but still join in is a credit to them all.

With 22 boats, 8 clubs and 88 anglers our SZ Interclub was off to a good start. Unfortunately the fish were not so cooperative and a number of boats did not get anything. A number of these boats were also fishing the Alliance Tournament at Bermagui. Kaitlyn Schofield was one young lady who spent over five hours on her fish before she tagged a very nice Striped Marlin. Kaitlyn is a small fry and this was a mighty effort even for an adult angler. Just heard that Polaris tagged another five Marlin which brings their tally up to 55 so far for the season which is amazing. One of these was for Patrick Dwyer, another small fry and avid fisherman.

Just back from the Ulladulla tournament where a good number of fish were tagged, including one Yellowfin. Their numbers were not as high as they had hoped but I think changing dates does that, as people cannot change their work schedules etc. Two good days of fishing with the last was cancelled because of high winds.

Next up are Shoalhaven, Kiama and Eden so please support these clubs if you can.

Stay safe and enjoy your fishing
