Well this certainly is not how we won the chooks! What a disaster of a month with only JB getting any points.

But wow! What another great result for our Zone for 2011-12. I was absolutely blown away when we received so many trophies and it was definitely hard to wipe the smiles off a lot of faces.

- Cock O the Walk Zone scoring second highest points for capture in 8 categories.
- Cock O the Walk Zone scoring highest points for tag and release in 8 categories.
- Chicken O the Walk Zone scoring highest points for capture in 8 categories.
- Chicken O the Walk Zone scoring highest points for tag and release in 8 categories.

There were a few not so happy faces but overall we received congratulations from the majority.

Of course we do not have the Marlin that the other Zones focus on but that is also our saving grace as we utilise ALL categories and get the points for same. We also managed to take out some very commendable individual trophies so my thanks to you all for a mighty effort.

The majority of motions have been held over as there was not enough consultation with the amendments proposed. Your clubs will all get further notification on these and there will be a Full Council Meeting in November. It will be centrally located in Sydney so I hope that every club is represented as the voting will be tight.

Batemans Bay GFC did manage to get theirs approved and not before time either. This means that we will now differentiate between male and female junior and small fry anglers when it comes to record claims.

It was good meeting with a bit of juggling of the agenda. There was actually a lot of discussion which was productive. Too often things get passed without much being said either in favour or against.

Outside the meeting rooms there were also a lot of laughs and discussion on many and varied topics. Quite a bit of time at the various bars (how unusual!!!) and a few eye opening moments for some new to the ways of Sydney!

Mex passed away on 2.7.12 and I attended his service last Saturday. The park surrounding the Merimbula BG&LAC clubhouse was full of his friends and we all laughed and cried together. He was a very special man who will be remembered as a bit of a rogue who made everyone laugh and will be sorely missed.

Attached also is an updated calendar. Please note the changed date for Shoalhaven Open Tournament.

Please remember to notify me of changes in your Committees with phone and email details. I will be attending Shoalhaven's Presentation Night on the 25<sup>th</sup> and know that Ulladulla's is the same night. My congratulations to all your trophy winners and my thanks to all your members for their contribution to our Zone point score

Hopefully you will have a lot of fun catching fish for this month.
