What a great surprise we had at the NSWGFA Presentation Dinner last month in Port Stephens. Not only did a number of our members take out individual trophies but our Zone won runner up Cock of the Walk for capture in 8 categories with 33 points. We then collected the coveted Cock of the Walk tag and release in 8 categories with 58 points. We won this last one by one point and I was really surprised this year even if we did sweep the pool last year. Fantastic result and everyone who contributed to this prestigious win must be congratulated and thanked for their persistence in getting the fish and this result.

We had a great turn out for the SZ Presentation Lunch with 46 members and families attending. It was a fun afternoon with some very happy recipients, both male and female of all ages, many of whom got to thank their families, skippers and crew. The youngest winner was Kaitlin Schofield who was extremely articulate. Other juniors were Jake, Liam and Justin and it was terrific to present them with their trophies. My sincere thanks to everyone who participated and made it such an enjoyable day.

The SBT are certainly starting this month and six of our clubs have featured in the tag points which is good.

Stay safe and enjoy your fishing.
