Jervis Bay	7
Eden	5
Canberra	4

**PROGRESSIVE TAG & RELEASE POINTS 2010-2011**

Merimbula	6
Bermagui	5
Batemans Bay	4

OMG what a fantastic result for the Zone taking out champion capture and tag and release categories for both seniors and juniors/small fry. It was truly amazing and all your members should be congratulated for a fantastic effort. I was smiling for hours and am just so delighted for everyone in the Zone. Your delegates collected the trophies for your clubs.

Members from Shoalhaven, Jervis Bay, Eden, Canberra, Bermagui and Batemans Bay all took out individual trophies and the full results will be posted by NSWGFA in the near future as will all the resulting decisions made at the AGM by the clubs represented.

We had a few dramas with flights cancelled due to fog and the guys from Merimbula and Eden ended up on the night flight back to Canberra. We were beginning to think we would never get out of Port Macquarie as this was also delayed but luckily everyone was in good spirits (after having imbibed a few) and I finally got home at 11.30 last night. The other guys stayed over in Canberra as it was too late and dangerous to travel all that way through possible snow and ice.

This season looks like it is shaping up well for us too. The Southern Bluefin Tuna have been plentiful and I know that some anglers actually ran out of tags as they had so many coming in. While it is fabulous to get the Marlin and big Sharks it is these Other Game Fish that make all the difference in the final tally for NSWGFA Coastal Waters Trophies so keep up the good work and lets see what we can do this season.

And it is nice to see a pretty good spread across the board in capture for a number of clubs. There were numerous boats with tag points but unfortunately it is only the top five that count.

Again, my congratulations and thanks to all your members for such a brilliant result for our Zone.

Have a great season and stay safe.

Sanchia
