Quite a change from last month with a number of clubs sending I a nil return. Still quite a few fish being tagged and obviously the odd capture down south of varying species. I know that the weather has been a tad cool so it's good to see some of you braving the conditions.

Next weekend is the NSWGFA AGM and Trophy Presentation so it will be interesting to see how our Zone fares this year. We have done so well for the past couple but who knows??? Look forward to catching up with a few of you there.

Stay safe and enjoy your fishing.
