There have been some good numbers of SBT and Yellowfin in patches for those lucky enough to get out between the poor weather. The currents have been unpredictable as well with 20 degree water pushing South at 3 knots and the odd Striped Marlin being encountered at the Northern end of the zone.

Merimbula had their Broadbill and Tuna tournament earlier this month with both weekends having strong wind hampering their efforts.

The NSWGFA AGM is on next week at Shellharbour and I look forward to catching up with those that are attending over the weekend.

Stay safe and tight lines
