Good to see the Yellowfin have turned up amongst the plentiful Marlin. Recent tournaments have had varied results but the last one at Eden had over 40 Marlin tagged along with Yellowfin and Mahi Mahi. There were three Yellowfin weighed with the heaviest being 46kg. There has recently been one in excess of 80kg also taken off Eden so it looks like the Yellowfin season is upon us. Apparently the professionals in Bermagui are saying that they are spread wide.

And that is good news for both Merimbula and Canberra who both have tournaments in May. Again, I ask that you support these events if at all possible.

From the long list of boats in the tag and release section it is obvious that many of you are out there having a go and with quite some success. I know it is only the top five in all categories that actually get points but I think it is interesting to see just how many boats are trying and where they are from.

Stay safe and enjoy your fishing.
