Bermagui	24
Kiama	19
Shellharbour	17
Shoalhaven	17
Jervis Bay	15
Ulladulla	12
Canberra	9
Merimbula	4

The turn out for the Batemans Bay Yellowfin Tournament last weekend was very disappointing with the weather again being a factor. So much time and effort goes in to organising these events it is really disheartening to have such a poor response.

It is really now a fact of life that a number of people do not enter a tournament until they are reasonably certain of the weather and this is understandable. Some clubs have instituted a large late fee and I am not sure that this works either and does in fact get up the noses of several who have every intention of fishing if the weather allows but are reluctant to enter early in case of cancellation. To each his own I guess, as we all run our tournaments as a business and all have different ideas.

This is the final return for the season and I now have to get cracking and get the final tally for the trophy presentation. Not only that, but with the kaffuffle with the NSWGFA website those of us who did it online now have to resubmit our Coastal Waters Trophy list. I hope that you have all done this and hopefully we will be in the running for some of those prized plaques.

At our AGM 3 July we will have the notice of motion from Jervis Bay re changing the Southern Zone boundary. I hope that we also have any that are on the books for the NSWGFA AGM so that we can discuss and think how we are going to vote. We do have a large block and it would be good if we could agree to vote as such, but the bottom line is that it is the decision of each club and this cannot be enforced.

Our AGM is scheduled to commence at 10.30am with luncheon at 12.00 at the Batemans Bay Catalina Club. Cost is \$25.00 per adult and \$12.00 for children 10 and under. Please advise me of the numbers attending and any special dietary requirements for catering purposes. I hope we get representatives from all the clubs in the Zone as it is always a good day and nice to catch up with friends.

Thank you to all the recorders who have done a great job and put up with my numerous errors and to all your members who have participated in this competition. We can only look forward to an even better season for 2011-12.

Stay safe and enjoy your fishing.

Sanchia.
