What a nice surprise to see so many fish both captured and tagged.

Unfortunately my phone packed up on the second week of my trip and despite convoluted discussions both in French and Italian there was no resolution so there will be a big argument with Telstra tomorrow.

My sincere apologies for not being able to do these until I got back and that was also delayed with flight cancellations. My luggage is still in transit from Helsinki so hopefully it will turn up soon.

I hope to catch up with a lot of you at the NSW AGM. As I mentioned before I left, there has been a change in format and we will be having Zone meetings prior to the commencement of the meeting so we will be able to discuss motions that have been presented.

Again, I am very sorry for these results being so late.

Stay safe and enjoy your fishing.

Sanchia
