Well it s good to see that we had a god run of fish in our last month, both in capture and tag and release. I believe we have had the first Marlin already for the season so we are off to a good start. I hope you have all sent in your coastal waters trophy list and maybe we can take out some plaques again this year.

Despite the fact that Port Hacking had their big money event on the same weekend, Canberra GFC had a very successful Yellowfin Tournament with over 80 boats. There was good representation form Southern Zone and others travelled from Lake Macquarie, Newcastle, Sydney plus various Victorian clubs.

Batemans Bay has had the first tournament for the season but I am not sure what the final results were.

I went to Kiama's Presentation Dinner last Friday night and once again, it was a great night. They have a mass of terrific trophies and there were some very happy winners including the guys from Frantic who were at my table.

This is the last return for this season and I am now into the process of tabulating all the data for our AGM and Presentation lunch. This is booked for Sunday 5<sup>th</sup> July and I am hoping we have a good crowd as usual. The meeting will commence at 10 and lunch at 12. Cost is \$25.00 per head pus \$25.00 per number of delegates on NSWGFA list. This can be paid on the day. Please let either myself or Gail know how many will be attending by Wednesday 1<sup>st</sup> so that we can confirm catering numbers.

Stay safe and enjoy your fishing.
