The Jervis Bay White Sands Tournament is on in a couple of weeks, so get your entry forms in and support them if you can. It is always an anticipated event as it is the first of the season and hopefully the fish will cooperate

Our nominee for the NSWGFA Junior Team fishing the Botany Bay Tournament is Eden member Patrick Dwyer. An intelligent and articulate 11 year old, he has a wealth of experience fishing on his Dad's boat, Polaris, for many years. This is going to be an experience to remember for him and he will be a great ambassador for our Zone..

Southern Zone members took out a number of trophies at the recent GFAA Presentation night and Canberra GFC won the most meritorious tag and release club which was a first for them and I believe the Zone, so well done everyone. NSWGFA also had a win with our motion stating that GFAA records should be granted to anglers irrespective of the fact that they fished a tournament where the prize was \$10,000 or more. We were doubtful that it would be passed but we did get the support so that is great. We are all aware of the fact that big money is making it's way into many tournaments and whether you like it or not, that is how things are going.

Stay safe and enjoy your fishing
