Bermagui 11.5
 Shoalhaven 7.5
 Shellharbour 5
 Batemans Bay 5
 Canberra 5
 Eden 5
 Merimbula 1

Sorry this is late getting to you but I have had a number of problems with my computer this week with quite a few glitches. They are normally mine but this time I can blame the computer.

On that note however you will note that there has been an adjustment to the points and this has come about because a fish from Bermagui was disqualified and had to be deleted from the June pointscore. On checking these however, I noted that I had missed a page and a couple of fish that should have received points and have amended the score sheet. I am surprised that nobody picked up on that but I have checked through the months and it is all fine now.

Very little tagging this month and it seems the sharks are dominant. Hopefully with the expected El Nino we will have some warmer water and a few more fish. November sees the Shoalhaven Light Tackle Tournament and the Jervis Bay White Sands Tournament so I hope that as many of you as possible will support these events.

I am hoping to have a SZ meeting in January so if you have anything you would like put on the agenda please let me know. There are a few problems with the Bowling Club so we are waiting to see what happens there and you will be notified of the date and location.

The Southern Zone Interclub will be conducted on the weekend of the 21-22 March 2010 and this year there will be a new format in that you fish out of your own port and send the details in each afternoon by fax or email. There will still be a dinner at Batemans Bay organised by the infamous Gail who does such an amazing job. This will be separate charge so that we have definite numbers for catering. Once the details are finalised and we have sanctioning I will send them on to you and hopefully we will have all clubs participating. Numbers have been poor for this event and I anticipate that with this new format we will get a few more of your members out representing your club. As agreed to many years ago, the prizes for this event are entry into Southern Zone Tournaments for four anglers so it is well worth participating.

There is of course the NSWGFA Interclub and AIBT at Port Stephens. You will all have had a notification of this from Pat and we ask that this be put in your club newsletters. It would be great to have some representation from the Southern Zone as I always receive flack because we do not have much participation in this event. I fully appreciate it is a long way to travel but it is a great event that you will always remember.

Thank you to all the clubs who submitted a junior nomination for the NSWGFA Junior Team to fish the AIBT. I will inform you of the lucky junior in the next couple of days as nominations close tomorrow. This is always a great experience for the juniors selected and they are well looked after by Grahame Williams, President of GFAA. Not only do they get to fish this terrific event but they miss a couple of days school so I am sure they will not be complaining.

I hope the fishing improves for you all but stay safe and enjoy!

Sanchia
